

The Immaculate Foundation

July 08, 2025

To Whom It May Concern,

I am writing to wholeheartedly recommend **Osuka Savin Otieno** of ID Number **39101868**, who worked with us at The Immaculate Foundation as a Web Developer from June 2020 to April 2021.

During his time with us, Savin Osuka played a critical role in designing, developing, and maintaining our organization's web presence. He consistently demonstrated a high level of technical skill, creativity, and commitment to excellence. Notably, Savin contributed to the successful launch of our flagship website and streamlined several internal digital processes, which greatly enhanced our operational efficiency.

Beyond his technical capabilities, Savin was a valued member of our team — always collaborative, dependable, and proactive in taking on new challenges. He displayed strong problem-solving abilities and quickly adapted to the dynamic needs of our projects.

Though The Immaculate Foundation ceased operations in 2023, I look back at our time working with Savin as an example of the professional talent and dedication that helped define our mission.

I am confident that Savin Osuka will bring the same dedication, expertise, and professionalism to any organization he joins. Please feel free to contact me directly if you require any further information.

Sincerely,

Lugai Chuck
